OBJECTIVE

It drives me. It excites me and inspires me. From the magic world of fashion and its relation with make-up to make-up in cinema with its capacity to create a character simultaneously with an actor's work of building a role. I am a versatile professional make-up artist and stylist passionate about my job. My skills include beauty, fashion, old age, bald cap, hairwork (beard, facial hair), character make-up, injuries, monsters, prosthetics, instant face-lift.
